Reasons For Allowance

1. The following is a statement of reasons for the indication of allowable subject matter:

The claims 20 and 27 in the instant application have not been rejected using prior art because no references, or reasonable combination thereof, could be found which disclose or suggest a skin incision device comprising a carriage element means further comprising a retainer which affixed to the carriage element, a knuckle received within the retainer when a blade is in the pre-actuated position, the knuckle is separable from the retainer when the top moves toward the bottom surface of the housing. As to claim 27, the prior art does not teach the invention including the housing further has a front panel, a back panel having a plurality of pegs extending toward the front panel, where the plurality of pegs define a guide path for the spring means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Victor X. Nguyen whose telephone number is (571) 272-4699. The examiner can normally be reached on M-F (8-4.30 P.M).
